

ABOUT THE GAME

Welcome to the enchanting world of Densho, where beautiful depictions of the natural world will accompany you on your mission to shape your legacy. Densho is a 5-reel, 4-row paylines game featuring a wild Multiplier Reel mechanic and an exciting bonus game with progressively increasing multiplier values for the Multiplier Reels! The max win in this game is 10,000 times your bet! The max win can be reached in the base game, Free Spins and Super Free Spins game modes.

FEATURES

WILD MULTIPLIER REELS

When a Densho symbol lands, it expands into a Multiplier Reel if the expanded reel would be part of at least one winning combination once expanded.

Multiplier Reels are wild and substitute for all other paying symbols, and apply a multiplier to each winning combination they are part of. If a winning combination includes more than one Multiplier Reel, their multipliers are added together before being applied to the win. The multiplier value on each Multiplier Reel is determined by the quality of the Densho symbol that created it:

The possible multiplier values from the Common Densho symbol are: 2x - 10x

The possible multiplier values from the Rare Densho symbol are: 5x - 10x, 15x, 20x, 25x, 50x

The possible multiplier values from the Legendary Densho symbol are: 10x, 15x, 20x, 25x, 50x, 100x

Each reel can land only one Densho symbol at once.

FREE SPINS

Get 3 FS scatter symbols at the same time in the base game to activate this bonus game with 10 free spins.

In this bonus game there are progression trackers above each reel. The level of each progression tracker indicates the lowest possible quality of Densho symbol that can land on that reel.

Land Upgrade symbols to level up the progression tracker of the corresponding reel! As the minimum quality of Densho symbols increase, so do the minimum multiplier values on the Multiplier Reels.

Landing additional FS symbols at the same time during the bonus game awards additional free spins:

2 FS symbols awards 2 extra spins;

3 FS symbols awards 4 extra spins.

SUPER FREE SPINS

Get 4 FS scatter symbols at the same time in the base game to activate this bonus game with 10 free spins.

This bonus game follows the rules for Free Spins above. In this version of the bonus game, progression trackers start at level 2.

Landing additional FS symbols at the same time during the bonus game awards additional free spins:

2 FS symbols awards 2 extra spins;
3 FS symbols awards 4 extra spins.
