

ABOUT THE GAME

A little revenge party never killed nobody... or did it? Spread your wings and join the God of the Sky on his vengeful quest, in this 5-reel, 6-row game with ways wins and the Orbs of the Sky mechanic. The max win of 15,000 times your bet can be reached in all game modes.

FEATURES

ORB OF THE MOON

When the Orb of the Moon symbol lands on the grid, it will select all instances of a random symbol on the grid. Then, it will replace all the positions of the selected symbols and itself with a higher-paying symbol or a wild symbol. The new symbol is randomly selected from a pool of symbols with higher payouts than the selected symbol.

ORB OF THE SUN

When the Orb of the Sun symbol lands on the grid, it will select all instances of two random symbols on the grid. Then, it will replace all the positions of the selected symbols and itself with a higher-paying symbol or a wild symbol. The new symbol is randomly selected from a pool of symbols with higher payouts than the selected symbol.

SACRED SCRIPTURE

If the low symbols land in formation to spell out "HORUS" horizontally on the grid, you will be awarded a cash payout of 500 times your current bet.

REVENGE OF THE PHARAOH

Activate this bonus feature with 10 free spins by landing at least 3 FS scatter symbols at the same time during the base game.

Two progression bars are displayed outside the grid. The value of the golden progression bar will increase every time there is a new win on the grid. Every time the golden progression bar is completely filled, the purple Orb progression bar will increase by one level. When the purple Orb progression bar has increased by one, the golden progression bar will reset to zero. Before the last drop of the bonus feature, the purple Orb progression bar will be activated. The number of levels that are filled in the purple Orb progression bar corresponds to the number of Orbs, either Orb of the Moon or Orb of the Sun, that will land on the final drop of the feature. A maximum of 5 Orbs can land on the grid at the same time.

During this bonus feature, the purple Orb progression bar will start at level 1.
 Landing additional FS symbols at the same time during the feature awards additional free spins:
 2 FS symbols award 2 extra spins;
 3 FS symbols award 4 extra spins.

RISE OF THE FALCON

Activate this bonus feature with 10 free spins by landing at least 4 FS scatter symbols at the same time during the base game.

This bonus feature has the same mechanics as REVENGE OF THE PHARAOH. However, during this bonus feature, the purple Orb progression bar will start at level 2.

Landing additional FS symbols at the same time during the feature awards additional free spins:

2 FS symbols award 2 extra spins;

3 FS symbols award 4 extra spins.

The symbol payouts displayed above reflect the currently selected bet level. The theoretical payout for this game is 96.33%. The RTP was calculated by simulating 10,000,000,000 rounds.

SPECIAL SYMBOLS

The Wild symbol substitutes for all symbols in the payable. Wild symbols do not exist on the standard reels of the base game; they can only appear through the Orb of the Moon and Orb of the Sun mechanics. Only one Orb symbol can land at the same time on each reel.

WAYS TO WIN

The specified requirements for a winning combination in the base game are also used during bonus features or free spins play unless otherwise stated. Each wager is eligible for all winning combinations unless otherwise stated.

You win if matching symbols appear on adjacent reels from left to right, starting with the leftmost reel. Each winning combination of matching symbols creates a winning way. The number of possible ways in this game is 7776. Please consult the payable for the number of each symbol required to win.

GENERAL

BALANCE

Your current balance is shown in the BALANCE display. Balance, bets and winnings are presented in the player's chosen currency.

BET

The current bet level is shown in the BET display. Change the bet by clicking on the arrows and choosing the bet level of your choice.

The allowed bet levels for this game are between €0.10 and €100.00. Feature buys can exceed this limit.

SPIN

The game is started by pressing the SPIN symbol button. The spacebar on the keyboard can also be used to initiate a spin.

WIN

Winnings and winning combinations are paid according to the paytable. Multiple wins in one round are added together and the total round win will be displayed in the WIN field (to the right of BALANCE). Separate wins in a winning combination will be displayed during the win presentation. Symbol payouts are displayed in the paytable and reflect the current bet configuration. Only the highest win per winning way is paid.

MAX WIN

The maximum achievable win in this game is 15,000 times your bet. The maximum win may be achieved by triggering specific combinations and/or features. When this amount is reached the game will display a message indicating the maximum win has been reached. The current round will then immediately end and your winnings will be awarded. If this occurs during free spins and/or other bonus feature(s), the game will return to the main screen and any remaining free spins and/or other bonus feature(s) will be discarded.

FREE SPINS

In Free spins the total win for each spin is shown in the WIN field while the accumulating win for all free spins is shown in the TOTAL WIN field next to the number of remaining spins.

AUTOPLAY

Using Autoplay will let you play a number of game rounds automatically. Press the AUTOPLAY button and choose a number of game rounds to initiate this feature. The remaining number of spins is displayed. Autoplay is stopped by pressing the STOP button.

ADVANCED AUTOPLAY SETTINGS

The Advanced Autoplay settings allow the player to set number of plays, total session lost limit and single win limit. The autoplay feature will stop when any of the selected limits are exceeded.

TURBO PLAY

The Turbo Play functionality is used to get the fastest game round possible (not available on all operators and jurisdictions). Turbo Play is activated from the menu.

ADDITIONAL INFORMATION

In addition to the features described here, the bar on the bottom of the game screen displays the current balance in the chosen currency, the amount paid if a win occurs, and the amount bet on the last/current proposition.

INTERRUPTED GAME

In the event of disconnection, a previously started round that has been interrupted may be resumed immediately by starting the game again. The results of a completed round (where display of the visual result was interrupted) will only be re-displayed within the game for winning rounds, but all game rounds may be reviewed in Game History. Any amount wagered on an unfinished game will remain paused until you either complete the game or the game is void as a result of account inactivity or system maintenance. When an unfinished game is void, your bet will be refunded to your account. Any awards earned on an unfinished round will not be credited unless you resume and complete the game. Winnings on unfinished game rounds where the player cannot further influence the outcome of the game will be automatically credited to the player's account after 1 day. Game rounds will never be affected by unforeseen external errors due to hardware, bandwidth, network errors or similar. Game rounds will be either stored and completed by the player at a later time or they will be closed and the wager will be refunded to the player. If an incomplete game round has not been resumed within 1 day, the round will be rolled back and the wager will be refunded.

GAME HISTORY

The result of a completed game may be viewed in Game History immediately after closing the game window. Results of unfinished games are not displayed in Game History.

GENERAL TERMS AND CONDITIONS

- Misuse or malfunction voids all pays and plays.
- Any visual representation of a physical device (a reel, a wheel of fortune or similar) does not represent a “real” physical device and the probabilities of it stopping on any particular position is determined by the game’s random number generator, and not the number of positions on each device.
