

GAME INFO - TIMESPINNERS

ABOUT THE GAME

Experience the ephemeral nature of time in Time Spinners! This game is a 5x4 slot with payline wins and a max win of 10,000x!

FEATURES

WILD MULTIPLIER

The Pocket Watch symbol is a wild multiplier that reveals a value after it lands, if it's part of a win. The revealed multiplier can be 2x - 12x. The multiplier value applies to any winline that it is part of. If more than one multiplier is part of the same winline, the multiplier values are added together before being applied to the win. Up to a maximum of 10 wild multipliers can land in the base game and a maximum 15 can land in the bonus game.

SYNC YOUR WATCHES

When the Sync symbol lands, all wild multipliers are synced to the highest multiplier value currently on the grid.

BORROWED TIME BONUS GAME

Activate this bonus feature by landing 3 Ghost symbols! This bonus game is divided into two phases, the collect phase and the payout phase.

All landed wild multipliers are sticky throughout the whole feature.

Collect Phase

During the collect phase, the reels contain only the special Pocket Watch, Sync and Echo symbols, and non-winning symbols.

These symbols are non-winning during the bonus game:

When an Echo symbol lands, it increases the value on all adjacent wild multipliers by the revealed value. The Echo symbol comes in two variants: the Normal Echo and the Epic Echo.

The Normal Echo adds the shown value to all adjacent wild multipliers. The Epic Echo multiplies all adjacent wild multipliers by the shown value.

The Normal Echo can have the following multiplier values: 1x, 2x, 3x, 4x, 5x, 10x.

The Epic Echo can have the following multiplier values: x2, x3, x4, x5.

The collect phase starts with 3 free spins. Every time a special symbol lands and is activated, the remaining number of free spins refills to 3. After 3 spins in a row without a special symbol, the feature transitions to the payout phase.

Payout Phase

During the payout phase, the reels contain only the symbols in the paytable.

The payout phase always awards at least 3 free spins. For each spin refill that occurred in the collect phase, the payout phase awards 1 additional free spin.
